Tip or Complaint:	When is enough, enough? The biodigester operations at <b>Dovetail Farms</b> is causing negative effects on our local community! The obnoxious odors are enough to make a grown man cry. I shouldn't have to live like I'm deployed! Someone needs to do something about the poo pond. It's making people physically ill and who knows what a catastrophic spill could do to our water ways! It's time to immediately shut down both facilities due to the gross mismanagement and eminent danger to Ohio citizens and our environment. <a href="https://www.daytondailynews.com/news/local/area-bio-energy-farm-ordered-stop-operations/wXr2NjVNFtkZk7YNTre6bK/">https://www.daytondailynews.com/news/local/area-bio-energy-farm-ordered-stop-operations/wXr2NjVNFtkZk7YNTre6bK/</a> Life long Fairborn resident and AF veteran, <span>Exemption 6</span>
